

Job Title: SEND Keyworker
Grade: 7

Our Vision

A county where big ambitions, great connections and greener living give everyone the opportunity to prosper, be healthy and happy

Our Outcomes

Everyone in Staffordshire will:

- Have access to more good jobs and share the benefit of economic growth
- Be healthier and more independent for longer
- Feel safer, happier and more supported in their community

Our Values

Our People Strategy sets out what we all need to do to make Staffordshire County Council a great place to work, where people are supported to develop, the Strategy to ensure that the focus is on what is important to the organisation and the people it serves:

- **Ambitious** – We are ambitious for our communities and citizens
- **Courageous** – We recognise our challenges and are prepared to make courageous decisions
- **Empowering** – We empower and support our people by giving them the opportunity to do their jobs well.
- We will work to ensure that Staffordshire education and skills system is the passport to opportunity for our children and young people
- We will work to ensure that Staffordshire Looked after children and are cared for in their family or extended family network
- We will recognise that Statutory interventions are a last resort
- We will work towards ensuring that Staffordshire children where possible are cared for within Staffordshire

- We will recognise and build upon the strengths of Staffordshire children and families

About the Service

Our aim is to create an environment where families are supported to stay together safely and live well in their communities by building on their strengths. This is the right thing to do. Families tell us they do not want to be in services and evidence says that lives are better when needs can be met early within the family or community. Working in this way is also more sustainable. We can support more families to live better lives if we focus on addressing needs as early as we can. This report details the changes we have already made across the children and families system

Our Core Purpose – What we do to help vulnerable children and young people in Staffordshire:

- Ensure resources are used in the most effective and efficient way to achieve sustained improvements to the lives of children, young people and families.
- We will share information with commissioners and partners to develop effective and efficient services.
- We'll know we have succeeded when we can provide evidence that we are achieving our core purpose within the resources available.
- Work with children, young people and families that are at risk of their needs escalating to a level that requires statutory intervention.
- We will invest in services to prevent needs escalating and will recognize that children's needs are best met within their own family and community, where this is safe to do so.
- We'll know we have succeeded when an increased proportion of children, young people and families report improved outcomes.

- Involve and engage children, young people and families in aspects of the services that we develop and deliver.
- Committed to involving and engaging children and young people, and we will ensure that our services continue to be fully responsive, that practice is focused on children and young people's needs and that their views are built into the design and delivery of services from the outset.
- We'll know we have succeeded when children, young people and their families tell us they are satisfied with our services; that they feel involved and we can provide evidence of where we have acted on service user feedback.
- Share responsibility with partners to achieve positive outcomes for children and young people.
- Working with our partners we will deliver services to children and young people to achieve positive outcomes that respond to and meet individual and locality needs. SEND Education, Health & Care Assessment & Planning Team
