

Job Title - Family Practitioner - Fostering Grade 7

Our Vision

An innovative, ambitious and sustainable county, where everyone has the opportunity to prosper, be healthy and happy.

Our Outcomes

We want everyone in Staffordshire to:

- Have access to more good jobs and share the benefit of economic growth
- Live in thriving and sustainable communities
- Be healthier and more independent for longer

Our Values

Our People Strategy sets out what we all need to do to make Staffordshire County Council a great place to work, where people are supported to develop, flourish and contribute to our ambitious plans. Our values are at the heart of the Strategy to ensure that the focus is on what is important to the organisation and the people it serves:

- Ambitious – We are ambitious for our communities and the people of Staffordshire
- Courageous – We recognise our challenges and are prepared to make courageous decisions
- Empowering – We empower and support our people by giving them the opportunity to do their jobs well.

About the Service

Our aim is to create an environment where families are supported to stay together safely and live well in their communities by building on their strengths.

Children and Families – Children in our Care and Care Leavers

This is the right thing to do. Families tell us they do not want to be in services and evidence says that lives are better when needs can be met early within the family or community

Working in this way is also more sustainable. We can support more families to live better lives if we focus on addressing needs as early as we can. This report details the changes we have already made across the children and families system.
