- Courageous – We recognise our challenges and are prepared to make courageous decisions
- Empowering – We empower and support our people by giving them the opportunity to do their jobs well.

### **About the Service**

The Adult Social Care Transitions Team (14-25) Team provides social care assessment, case management and safeguarding support across Staffordshire working alongside young people living in Staffordshire living with disabilities and additional needs including neurodiversity and poor mental health. The team includes workers linking in with SEND and educations provisions to support transitions, Social Workers and Social Care Practitioners with a focus

on supporting young people, their families and the people that are important to them as well professionals that are supporting them. this includes Children's Social Workers, SEND workers, education and health professionals.

The focus of the team is to support young people to experience a successful transition into adult social care helping to prevent the cliff edge for those young people.

The team undertakes outcome focused assessments and develop support plans to meet peoples assessed eligible needs as defined in the Care Act 2014 and other relevant legislation. Staffordshire promotes an asset-based approach that builds on people's strengths, their family and community-based support, promotes independence and meets identified outcomes and aspirations.

The teams are part of the wider Adult Social Care and Safeguarding Service within the council.
