

Job title Transport Strategy Support officer

Grade G8

Our Vision

A county where big ambitions, great connections and greener living give everyone the opportunity to prosper, be healthy and happy.

Our Outcomes

Everyone in Staffordshire will:

- Have access to more good jobs and share the benefit of economic growth
- Be healthier and more independent for longer
- Feel safer, happier and more supported in their community

Our Values

Our People Strategy sets out what we all need to do to make Staffordshire County Council a great place to work, where people are supported to develop, flourish, and contribute to our ambitious plans. Our values are at the heart of the Strategy to ensure that the focus is on what is important to the organisation and the people it serves:

- Ambitious – We are ambitious for our communities and citizens
- Courageous – We recognise our challenges and are prepared to make courageous decisions
- Empowering – We empower and support our people by giving them the opportunity to do their jobs well.

About the Service

Directorate Purpose and Values

Staffordshire County Council is one of the largest local authorities in the UK with an ambitious vision for Staffordshire and its people. Achievement of that vision will be underpinned by the support of the county council's Economy, Infrastructure and Skills directorate (EIS). The vision for EIS is to help Staffordshire's economy grow, so that everyone has the opportunity of a good

job and good prospects in a beautiful, safe, accessible, vibrant, cultural, prosperous, business friendly and sustainable county.

Service Purpose

The Connectivity Strategy Team develops Staffordshire's transport strategy and policy documents and provides transport planning advice to the Council and other organisations, including local planning authorities. The team takes a lead role in developing transport funding bids and the formulation of the Council's transport capital programme.

Reporting Relationships

Responsible to: Principal Transport Strategy Officer, with additional reporting to Senior Transport Strategy Officers as required to deliver specific projects and work-streams.

Key Accountabilities

- 1.** Inputting into the production of the Local Transport Plan and other area and topic-based transport strategies by researching, gathering and interpreting and summarising relevant material, data and information to inform policy.
- 2.** Providing transport planning advice and support to the Council and other organisations, including local planning authorities in the development of their Local Plans and other planning functions.
- 3.** Inputting into the preparation of transport funding bids by gathering, interpreting and summarising relevant material, data and information to support the financial business case.
- 4.** Assisting in the managing of less complex transport projects that contribute to the delivery of the Local Transport Plan, ensuring projects meet the required outcomes and deadlines.
- 5.** Application of and providing advice on GIS analysis techniques and other accessibility planning software to inform projects being delivered by the team.
- 6.** Analysis of transport and GIS data and the preparation of reports including trend analysis and data limitations to inform projects being delivered by the team.
- 7.** Preparation of data for monitoring and evaluation report to identify whether outputs and outcomes of transport projects are being achieved.

- 8.** Responding to less complex transport planning related correspondence, in line with the Council's policy position on transport.
- 9.** Liaison with other internal Council officers and other organisations relating to the material, data and information and present findings to relevant audiences.
- 10.** Maintaining strong oversight of transport policy at a local, regional and national level to inform the Council's transport policies and strategies.
- 11.** Undertake such other duties as may be allocated from time to time in accordance with the general nature and grading of the post

Professional Accountabilities

The post holder is required to contribute to the achievement of the Council objectives through:

Financial Management

Personal accountability for delivering services efficiently, effectively, within budget and to implement any approved savings and investment allocated to the service.

People Management

Engaging with People Management policies and processes

Equalities

Ensuring that all work is completed with a commitment to equality and anti-discriminatory practice, as a minimum to standards required by legislation.

Climate Change

Delivering energy conservation practices in line with the Council's climate change strategy.

Health and Safety

Ensuring a work environment that protects people's health and safety and that promotes welfare, and which is in accordance with the Council's Health & Safety policy.

Safeguarding

Commitment to safeguarding and promoting the welfare of vulnerable groups.
